Dear Mr. Rubio:

The State is requesting to amend STC 38(e) of the § 1115 Waiver to update the premium fee schedule for parents of children in the State Children's Health Insurance Program, known as KidsCare in Arizona. In response to budget reductions passed by the Arizona Legislature as part of the 2009 Legislative Special Session to address Arizona's significant budget shortfall, AHCCCS seeks to increase premiums subject to CMS approval.

Because the State is merely amending existing premiums, the changes do not constitute any modifications in eligibility standards or procedures that would further restrict eligibility in the SCHIP program.

As of May 1, 2009 and upon CMS approval, parents of children in KidsCare will be assessed monthly premiums for the entire household unit as follows:

Income Level	Monthly Premium per Household
100%-150% FPL	3% of net household income
151%-175% FPL	5% of net household income
176%-200% FPL	5% of net household income

Attached you will find a copy of the revised STC 38(e) and budget for your review. A copy of the public notice to members is forthcoming and will also be posted on the AHCCCS website as soon as it is available. If you have any questions please call Theresa Gonzales at (602) 417-4732.

Sincerely,

Monica Coury Assistant Director

Office of Intergovernmental Relations
